May Shorey, author and dra-

the appeal of the borough of Danielson from the proposed new rates of the Crystal Water company, which is to be heard by the Public Utilities commission. The borough's case is being prepared, however, and will be ready, it is understood,

in the not distant future.

Gasoline has taken another jump and is now 33 cents a gallon at some stations in Danielson. Motorists are heaping maledictions upon the big producers that they feel are responsible for the ruling charges, but there isn't any relief from the situation. from the situation.

from the situation.

The great majority of local democrats who have been interviewed relative to the selection of a delegation to go to the democratic state convention at New Haven are frank to admit that they do not know anything about the cau

Poultry buyers, chiefly from the Providence market, continue to comb all of this territory for supplies. Each week finds them stripping this section of its poultry and egg supply for transportation to a market where higher prices rule.

As an indication of how real estate

company, as the result of a court decis-ion, nothing relative to any changes has been heard here, it was stated on Thursday. At the present time local line averages about mile, which is about the rate on the steam road. At the present time the rate on the line averages about three cents a which is about the same as the

The site for the new mill at Goodyear is cleared. The mill, which is to be 500 feet in length, will be located just south of the big stock house and will run south almost to the lower end of the South vilage. The new mill will come up almost ush with the sidewalk. Collector George Williams is now at

his office in the town hall building re-ceiving the taxes assessed by the town of Killingiy. Collector Williams has com-pleted his collection visits to the various villages of the town and is to spend the remainder of the month.

remainder of the month.

There is complaint about some few automobile drivers running their machines at excessive speed through the business section. Not all of these reckless drivers are local residents; many of them are strangers. The fact is, however, that they are a menace to the safety of persons who may be either walking or riding and an effort will be made to regulate their driving.

Cable splicers are at work on the un-derground telephone line, which has been run by A. T. and T. company workers through this section during the past few months. The crews are working eastward toward the Rhode Island line and making their headquarters in Danielson. A big force of men is now being fed at the Goodyear mill restaurant, as the con-struction force grows in numbers, and at noon. Thursday the eating place was crowded. The workers get their mills at cost and thereby save a very considerable amount during a week.

Sales of Jamaica ginger and said to be increasing with such startling rapidity all through this territory that drastic action will be necessary to check the evil, which is claiming not only so-called old rounders, but the youth of the called old rounders, but the youth of the communities hereabouts. Even the scores who have learned to drink the stuff, usually in ginger ale or some other soft drink, admit that it is in about the same class with T. N. T., but they drink it just the same and try to make a joke about the subject when they know that there is no real joke about it.

Most Costly Map In World.

The most costly map in the world s one of France, and it is in the Louvre. The groundwork is of polish ed jasper. The principal cities and towns are represented by precious stones, and their names inscribed in gold. The rivers are shown by strips of polished platinum, and the eightyseven departments are set forth in a wonderful scheme of blazing gems. This extraordinary map was made in Russia and presented to France by the czar when the Franco-Prussian alliance was consumated. It is relied to the present of t liance was consumated. It is valued at \$1,250,000.

No Other Explanation. Germany protests against the French occupation "in the name of justice reason and humanity." either the news dispatches have done the Ger-

man reputation a great injury or there has been a gross error in translation.

Kansas City Times.

PUTNAM

In the town court Thursday morning Judge W. F. Woodward fined Osman Elme of Goodyear, with costs. \$20.49 Elme had been driving a motor vehicle and had no operator's license.

Eight Poles left Danielson, en route to their native land. It was said by one who speke for them that they had weried of restrictions in this country.

Den't forget the One Cent Sale now going on here. Special Values. Mose the Druggist, the Rexall Store.—adv.

A number of Danielson people were, at Putnam Thursday evening to hear the suffrage speakers at a meeting held in Odd Fellows' sall.

Dr. Kingsbury has moved his office to the Pheenix block, 101 Main street.—adv.

Three dwellings in the old South village at Goodyear will be moved to new locations to make room for an addition that is to be built to the south end of the mill during the present season.

Ceremer Arthur G. Bill has completed taking testimony relative to the accident in which Haymond Gegan was so badly injured that he died. He was thrown from a truck that was hit by an electric car, on the Wauregan road.

Candies—two pounds of the best chociates, in packages, Saturday, during the One Cent Sale at Mose the Druggist, Rexall Store.—adv.

Stone that is to go into the new mill at Goodyear will be quarried from ledges.

Stone that is to go into the new mill at Goodyear will be quarried from ledges.

his mother is living in New York. "She clothes the naked." Flynn declared and when pressed for elucidation of this statement he said "she's a dressmaker."

He told Mr. King of the Middletown in-stitution that he had been sent to Central Islip for observation during the period of the war on account of his declaration relative to being a conscientious objector. After lengthy questioning by the officers, Flynn who acted like a gentleman, was allowed to depart.

Ethel May Shorey, author and dramatist, is playing with her select company at the Orpheum theater today and
Saturday, matinee and evening presenting all new and appealing plays—adv.

Plowmen were busy in many fields in
this section of Windham county on
Thursday, the first good day in nearly
two weeks. In almost every case the
area to be planted is smaller than was
the case last year. This means short
crops and high prices for farm products
next fall.

A mature
business section Thursday furnished some
music that, was thorought up player very substantial remuneration, it was evident to
those who kept an eye on the collections.

carly Thursday morning of two freig
carly Thursday morning of two freig profession. The situation, as regards Putnam, is no different than esewhere in the nation, though the condition may

not be so aggravated here as it is in some localities.

Considering this condition, the town school committee has agreed upon a new method of fixing salaries for the graded or common schools of the town of Putnam. Under this new assungement, the maximum pay for teachers in schools within the city imits is to be \$1250; the minimum within the city for teachers affairs, was a visitor here Thursday, without training, \$850; the minimum

(county home school) \$750.

Putnam Heights—Miss Mildred S. Torrey, \$900.

East Putnam—Mais E. L. Cutler, \$800. Gary District—Miss Ernestine Davis,

Putnam High School—Edward H. Snow, \$2600; sub-master, Eugene W. Fillis, \$2300; Miss Abbie Keith, English, \$1400; Miss Lucy F. Rice, Latin and \$1400; Miss Lucy F. Rice, Latin and History, \$1400; Miss Minnie L. Gannon, ommercial, \$1400.

The committee has deferred the elec-tion of a kindergarten teacher until it can be ascertained whether a room for continuing the kindergarten classes can be found for the next school year. The israel Putnam school, where the kinder-garten is located, is becoming more crowded every year and another influx of pupils sufficient to tax the capacity of the building to its utmost even without a kindergarten is expected next fall. Like-ly provision will have to be made for another grade at this building, and if this prospect proves out, the kinder-garten will be forced out for lack of quarters, as it is now occupying the only available room for a new grade. It is possible that an addition may have to be built to the Israel Putnam school. There is a disposition on the part of the school committee to continue the kindergarter if a room for locating it can be obtain-

Mrs. Martha Pearson, widow of Wiltiam Pearson, died at her home here at 1:30 Thursday morning. Mrs. Pearson, a native of England, was born January 22 1827. She was a daughter of Mr. and Mrs. Leonard Caulkins. Mrs. Pearson has been a resident of Putnam for about half a century and before coming lived in Woodstock. She leaves

ATTENTION WORKING MEN

Last week we called attention to the current fad of wearing Overalls by people to whom they are not a necessary article of apparel, also that through this fad you working men would have to pay more for this essential to your workday outfit, We are just in receipt of a shipment of Overalls, Jumpers and Aprons ordered some time ago and at prices that we know cannot be duplicated in Putnam. Call and secure some of them before they are closed out, and we shall have to go into the market for more but at higher prices.
